Schellens / Catrise

DV 08255-13-112 - SHIROCCO. Winner of 15th Place South Africa Million Dollar Final Race. SHIROCCO is a full brother to LUKE DONALD - winner of 3rd Place South Africa Million Dollar Final Race. The winning blood for South Africa Million Dollar races is here with SHIROCCO.

SHIROCCO is a strong beautiful male with super muscle to allow him to fly for 10 to 12 hours in extreme heat and head winds like in South Africa.

Each year more than 6000 of the best bred youngsters are sent to South Africa for the Million Dollar Races from 40 countries. The competition is fierce and to have a pigeon in the top 100 places is a challenge for all fanciers. The blood flying through SHIROCCO brought 2 super racers against the best young bird racers of the world. Remember - SHIROCCO flew 413 miles in 90 plus degrees and high humidity against 3478 birds - when only 53 birds were capable of returning on the same day of release!

Kuwait 022723-16 - VICTORIA WINNER. Trust me, this is one super hen! She is probably the best bodied pigeon I have on my property. Plus the best wings of any of my pigeons!!

VICTORIA WINNER is the 1st Place Winner - Victoria Falls World Challenge Final Race in Zimbabwe Africa. The temperatures are very high, head winds - a one loft race where quality is a must. Youngsters must be bred off a DNA bred family that are tough and can handle the heat and head winds and be able to race to win for 10 hours on the wing. When racing in international races around the world against the greatest competition in the sport, you need the best in order to win.

The surest way to the top is breeding from DNA proven winners from the races that you want to compete in. I am sure VICTORIA WINNER is a super and will breed top foundation breeders.

"Victoria Winner" Grand Mother to: 2nd Super Ace + 2nd Grand Average - winning 10th place, Final Victoria Falls 2020/21 - Also Full Sister won 52nd Super Ace! Top Breeding Stock!
