# INTRODUCTIE

In 2015 besloten Bjorn Haak en David Soen om de handen in elkaar te slaan en samen een "duiven team" te vormen. Beide heren konden al de nodige adelsbrieven voorleggen maar aangezien zowel Bjorn als David een full-time job met een gezin met opgroeiende kinderen moeten combineren was het een lumineus idee om er samen in de duivensport voor te gaan.

Beiden hebben een voorliefde voor de grote halve fondvluchten en deze staan dan ook in fluor op de vluchtkalender aangeduid. Vluchten zoals Argenton, Chateauroux, La Souterraine, Bourges, enz... doen hun motivatiepeil steeds stijgen.

Bjorn is bij manier van spreken op het duivenhok geboren. Vader Frans was een fanatieke snelheidsspeler en samen met mama Amanda konden ze zelfs de drinkpot een eerste prijs doen vliegen. Ze hadden maar 1 geheim... enkel de goede duiven die jaarlijks streng geselecteerd werden behouden. Na het overlijden van vader Frans zette Bjorn samen met mama Amanda het duivenspel succesvol verder. Ook David werd zowel via zijn vader als zijn peter met het duivenvirus besmet. David speelde steeds op eigen naam. In 2013 werd hij 3de Nationaal kampioen KBDB kleine halve fond.

De taken werden perfect verdeeld waarbij David voor de kwekers zorgt en Bjorn samen met mama Amanda de weduwnaars, vliegduivinnen en jonge duiven onder hun hoede nemen. De basis van de kolonie wordt gevormd door duiven van Eddy Anckaert, Jozef Wellemans, Martin de Roover, Eric Brootcoorens en Herbots Gebroeders (zeer succesvolle kwekers welke reeds 2 zonale overwinnaars op 1 jaar tijd op de wereld gezet hebben.)

## **Nieuwe start**

Al sinds het ontstaan van de tandem wordt er op de naam Haak-Soen gespeeld, dit op de hokken achter de woning van mama Amanda. Maar sinds een paar jaar is het huis van Amanda verkocht aan een familielid en was er de afspraak dat er tot en met 2022 op de "oude hokken" nog mocht gespeeld worden. Vanaf nu krijgen de "oude hokken" een nieuwe bestemming en wordt er vanaf 2023 op een nieuwe hokinstallatie welke achter de woning van Bjorn staat, gespeeld. Dit is dan ook de enige reden waarom de bewezen vliegploeg in verkoop komt.

# INTRODUCTION

In 2015, Bjorn Haak and David Soen decided to join hands and form a "pigeon team" together. Both gentlemen could already present the necessary letters of honour but as both Bjorn and David have to combine a full-time job with a family with growing children, it was a bright idea to go for it together in pigeon racing.

Both have a preference for the great middle distance races and these are therefore marked in fluor on the race calendar. Races such as Argenton, Chateauroux, La Souterraine, Bourges, etc... always increase their motivation level.

Bjorn was by mean of speaking born in the pigeon loft. Father Frans was an top short distance racer and together with mama Amanda they could even make the drinker to win a first prize. They had only 1 secret... only kept the good pigeons that were strictly selected every year. After the death of father Frans, Bjorn continued pigeon racing successfully with mum Amanda.

David was also infected with the pigeon virus via his father as well as his godfather. David always raced in his own name. In 2013, he became 3rd National Champion KBDB small middle distance.

The tasks were divided perfectly with David taking care of the breeders and Bjorn together with mum Amanda taking care of the widowers, racing hens and youngsters. The base of the colony is formed by birds from Eddy Anckaert, Jozef Wellemans, Martin de Roover, Eric Brootcoorens and Herbots Gebroeders (very successful breeders who already produced 2 zonal winners in 1 year).

## **New start**

Ever since the tandem's inception, they have been racing on the Haak-Soen name, in the lofts behind mum Amanda's house. But since a few years, Amanda's house has been sold to a family member and there was an agreement that the "old lofts" could still be raced on until 2022. From now on, the "old lofts" will get a new destination and from 2023 onwards, the pigeons will be raced on a new loft installation which is located behind Bjorn's house. This is therefore the only reason why the proven racing team will be sold.
