Pigeon bids Marc & Geert Pollin

On March 2, 2025, well-known champion Marc Pollin from Snellegem passed away at the age of 78. Marc, who in recent years competed together with his son Geert, was a hard-working man shaped by the West Flemish soil, who, with all his down-to-earth mentality, fully understood that without dedication, you get nowhere. When it came to pigeon racing, no effort was ever spared.

For Marc, pigeon sport meant working with a strategy and always investing in the future of the colony. For that reason, with one exception, no top birds were ever sold – instead, they were given a place in the breeding loft. World-famous Pollin champions – or better said, "Pollin icons" – include **De Perpignan, Dortmund, Mortifer, and De Limoges**.

Thanks to their breeding performance, Marc and Geert could – generations later – take pride in the achievements of pigeons like **New Belgian Pride, Joe, Brother Joe, Cadel, Bruce, Montauban II, Limo 301, Brutus, Mister Jarnac, Michiel**, and many others.

All-round pigeons... that's the best way to describe the Pollin birds. Whether it's 200 km or 900 km... they always manage to finish at the top. But even on other lofts, the Pollin pigeons perform exceptionally well. The list of references is endless and still needs to be updated weekly – even in 2025.

In recent years, under Geert's leadership, they have successfully participated in various international One Loft Races. Even there, the Pollin pigeons show their exceptional class – proof of this is their 1st place finish in the final race of the renowned Pattaya race.

With Marc's passing, pigeon racing at Walbekestraat in Snellegem also comes to an end. Geert has no ambition to continue the sport. Thanks to the professional care of the Herbots team, the Pollin colony will be sold online in several batches. All current top racers and breeders will be available online.

Geert had also bred a beautiful group of 2025 pigeons from all his current top breeders, but on October 7th, a cowardly theft took place, and all these 2025 pigeons (with the exception of two children of "Joe" who happened to be in a different loft) were stolen, along with several hens. The Pollin family is still reeling from this crime.

We should also mention that Geert will retain a very limited group of yearlings to breed youngsters that will then be entered in One Loft Races (primarily in Thailand).

"Whoever invests in Pollin pigeons is investing in the future of their colony.

This is the final opportunity - after this, there will never be another. Don't hesitate — act now!"

=AUCTION PART & NUMBER

Op 2 Maart 2025 overleed op 78-jarige leeftijd gekend kampioen Marc Pollin uit Snellegem. Marc, die de laatste jaren samen speelde met zijn zoon Geert, was een uit West-Vlaamse klei gekneede werker die in al zijn nuchterheid zeer goed beseftte dat zonder de nodige inzet je nergens komt. Ook qua duivensport werd er nooit op een "efforke" meer of minder gekeken.

Voor Marc stond duivensport gelijk aan met doordacht te werk gaan en altijd te investeren in de toekomst van zijn kolonie. Om die reden werden, op één uitzondering na, geen enkele topper verkocht maar kregen ze een kweekbox toegewezen. Wereldberoemde Pollin kampioenen of beter is "Pollin-iconen" zijn **"De Perpignan", "Dortmunder", "Mortifer", "De Limoges"**.

Dankzij hun kweekprestaties konden Marc en Geert – generaties later - fier zijn op de prestaties van onder andere **"New Belgian Pride", "Joe", "Brother Joe", "Cadel", "Bruce", "Montauban II", "Limo 301", "Brutus", "Mister Jarnac", "Michiel"** enz.

Allround duiven...zo kunnen we de Pollin-duiven het best omschrijven. Of het nu 200 kilometer of 900 kilometer is...ze vliegen toch zo graag in de top van de uitslag. Maar ook op andere hokken presteren de Pollin duiven als de beste. De lijst met referenties is eindeloos en zelfs in 2025 moet deze nog wekelijks geüpdatet worden.

De laatste jaren werd er onder impuls van Geert succesvol deelgenomen aan diverse internationale One Loft Races. Ook daar tonen de Pollin duiven hun uitzonderlijke klasse... bewijs is onder andere hun 1e plaats in de finale race van de gekende Pattaya race.

Wegens het heengaan van Marc komt er ook een einde aan de duivensport in de Walbekestraat te Snellegem. Geert heeft niet de ambitie om de duivensport verder te beoefenen.

Dankzij de professionele zorgen van het Herbots team zal de Pollin kolonie in verschillende delen online verkocht worden. Alle huidige topvliegers en kwekers komen online.

Geert had in 2025 ook uit zijn huidige topkwekers een mooie groep jongen gekweekt, maar op 7 oktober vond een laffe diefstal plaats, en werden al deze jongen samen met verschillende duivinnen gestolen – met uitzondering van twee kinderen van "Joe" die toevallig in een ander hok zaten. De familie Pollin is nog steeds diep getroffen door dit misdrijf.

Tevens dienen we te melden dat Geert een zeer beperkte groep jaarse duiven zal behouden om jongen te kweken die dan ingezet gaan worden in One Loft Races (vooral in Thailand).

Wie investeert in de Pollin duiven, investeert in de toekomst van zijn kolonie.

Nog eenmaal wordt hiervoor de kans geboden, en dan nooit meer. Hier mag u niet twijfelen!

1st ACE PIGEON KBDB LONG DIST. YRL.

It reads like a fairy tale, but the 2015 season was one that Marc and Geert Pollin will never forget. The kind of season a fancier experiences only once in a lifetime, when everything just seems to fall perfectly into place.

It all started on 6 June when "Montauban II" (B14-3027005) won the first national Montauban (804 km) against 2,129 yearlings with an average speed of 1,256 m/m.

A few days later, 3,045 old birds were released in St. Vincent (896 km) and "Bruce" (B13-3016047) registered an average speed of 1,023 m/m. No one did better... the second national victory of the season was a fact.

On 2 August, Libourne (753 km) was on the program. A total of 10,914 pigeons were released at 7:15 am under a clear blue sky and with almost no wind, and the fastest was "New Belgian Pride" (B14-3028025). A few minutes later, "Joe" (B10-3164068) also landed on the landing board and won 1st national in his category against 5,024 old birds.

Indeed... 4 national victories in one season! And as if that wasn't enough, 'New Belgian Pride' was also crowned **1st National Ace Pigeon KBDB Extreme Long Distance**. 'New Belgian Pride' was subsequently transferred to the Herbots family's breeding loft.

Icons of the Pollin loft

For decades, their winning blood produced champions.

For Marc Pollin, pigeon sport meant working with a strategy and always investing in the future of the colony. For that reason, with one exception, no top birds were ever sold – instead, they were given a box in the breeding loft. World-famous Pollin champions – or better said, "Pollin icons" – include "De Vooruit" (the first base breeder), later came "De Perpignan", "Dortmunder", "Mortifer", "Gerardje", "Nai" and "De Limoges".

Thanks to their breeding performance, Marc and Geert could – generations later – take pride in the achievements of pigeons like "New Belgian Pride", "Joe", "Brother Joe", "Cadel", "Bruce", "Montauban II", "Limo 301", "Brutus", "Mister Jarnac", "Michiel", and many others.
